

Market Singapore® Field Product Specialist Requirement

A Market Singapore® Field Product Specialist is an Unfranchise® Owner who can conduct Health and Nutrition Product Trainings and charge a fee under Global Meeting, Training & Seminar System (GMTSS).

Field Product Specialist’s requirements have been revised to ensure standardisation of product trainings.

The requirements are as follow:

1. As a member of Speakers Bureau Category 1 or 2.
2. Attended the latest Corporate Hosted Product Symposium (2 full days)

On-going requirement:

1. Maintain speaker bureau category 1 or 2 requirement throughout
2. Conduct at least 1 GMTSS Product Training per quarter. Core training from 2 Field Product Specialists is allowed.
3. For re-qualification, FPS must attend MASG Product Symposium at least once per every 2 year and on-going requirement item 1, 2 must be fulfilled

Training topics and charges are as below:

Training Topics	Charges Per Person
Nutrition Product Overview	SGD 15
Antioxidant and Free Radical	SGD 15
Digestive Health	SGD 15
Eye Health	SGD 15

The requirements listed above are served as a standard guide and may subject to changes.
