Cardio & Sculpting

Base Barre- A unique class focused on blending light weights, ballet barre, and yoga; enriching your mind/body experience! Designed to define your waistline and lower body. Become more flexible and youthful with each stretch.

Base Beast- With a mixture of barbell, kettlebell, and bodyweight training, this class uses classic supersets done at high intensity to drive results for muscle gain, fat loss and increased cardiovascular efficiency.

Base Body- Total body conditioning, using body bands and weights to tone and strengthen all muscle groups! All levels.

Base Box & Sculpt- A non-contact, action packed class that incorporates kicks from martial arts & upper body combinations from boxing. Challenging & rewarding. Ideal for men and women. All levels.

Base Hip Hop: A cardio dance class, infusing all genres. Taught by Jersey City's very own ChicPEA!

Base Spin- A great cardio workout done on a specialized stationary bike. Our certified instructors will motivate you, the music will drive you, and the whole experience will keep you coming back for more. All levels.

Booty Barre- A total body sculpting class that targets each muscle group to completely transform your body. The class incorporate strength training, intervals of cardio, core strengthening and stretching to improve endurance and flexibility. Small, intense targeted movements using light weights, overload the muscles to point of fatigue.

Booty Blast Focusing lower body movements to help achieve a lean and tone body. It is a combination of yoga, ballet and Pilates mixed together to maximize the best workout.

Burn—No muscle left behind! HIIT , Tabata , strength ,cardio and circuit training. Come ready to get stronger and sculpt all muscle groups.

Evolution- An intense workout designed to work every muscle in the body, but focusing mostly on the heart.

Hard Bodies- Our new name for the Ultimate Sculpt class. Total body conditioning using weights, bars, steps, and bodyweight. You will build strength and endurance. The result will be a leaner, sculpted body. All levels.

Power Sculpt- High Intensity Interval Training is one of the best methods for burning fat. This total body circuit-style class uses specific work to rest ratios to maximize fat burning and push your cardiovascular threshold. For all fitness levels!

Ripped Ride- Cycle with a twist. Come for a fun , upbeat, challenging ride -take it to the next level with some heart pumping beats , and upper body focus through the use of light weights and high repetition . Hills , sprints , jumps , climbs - all levels welcome.

Super Sculpt- Our newest sculpt class. Get ready to work, sweat, and burn calories. Using your upper and lower body to change and challenge how you work out. This class provides all elements you need for total body toning. All levels.

Sweat & Surrender- Our Master Class is a 75 minute, 2-part experience that gives you the benefits of both Spin & Yoga. The class begins with 40 minutes of Spinning followed by 35 minutes of rejuvenating yoga to stretch out the muscles you've just worked.

Tabata-Short bursts of High Intensity exercises followed by short bursts of rest repeating for several rounds. Tabata training will raise your metabolism and heart rate immediately. Since you are performing these exercises at a very high intensity, your body will have to work much harder to keep it up.

Ultimate Cuts- An ultra-intense, high impact, total body workout. We cut right to the chase: body fat, your 5k time, bad form. What we do not cut: corners. You will improve your strength, speed and power while focusing on proper form.

Zumba- A fusion of Latin and international music dance themes creating a dynamic, exciting, effective fitness system! The routines feature aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body. All levels.

Mind & Body

Balance & Flow Yoga- Using Ujjayi breath to warm the body from inside out, this class explores the alignment and psychology of arm balances and inversions so you can approach them with greater mindfulness and ease. This is a fun, unique sequence that is open to all levels and includes guided arm balances, inversions, twists and stretches, accompanied by energetic music. Benefits of this flow include developing upper body and core strength, increasing hip and hamstring flexibility, and sharpening mental discipline.

Pilates- Joseph Pilate's authentic mat sequence strengthens stretches & defines the entire body - focusing the awareness on a stable center. Includes Magic circle work & exercises adapted from the Reformer. Music and added exercise tools incorporated in class.

Power Flow Yoga- A conscious flowing sequence of asanas (postures) linked by breath and intention. Integrating the physical (body) psychological (mind) and spiritual heart (soul), leading to the ultimate goal of liberation. Hands on adjustments are given, while inspiring music is played. All levels.

PIYo— A music-driven athletic workout inspired by Pilates and Yoga. It includes flexibility training, strength training, conditioning and dynamic movement. PIYo is a workout everyone can enjoy because it offers modifications and progressions for all fitness levels. Each class focuses on three styles of movement: focus, flow and fusion. During focus segments poses are held for several breaths to increase strength. Flow segments are rhythmic, generate heat in the body and produce a sweat. The fusion segments are where focus and flow are blended. These movements incorporate a dynamic balance of functional training that challenge strength and balance, and emphasize the athleticism of Pilates and yoga.

Restorative Yoga- A unique class combining the best of both yoga and stretching, to relax, invigorate and rejuvenate mind/body. All levels.

Vinyasa Yoga: A challenging, vigorous practice, focusing on synchronization of breath with continuous flow of movement. Builds heat, endurance, flexibility, strength & mental focus, incorporating uplifting music. All levels.
