

# Safely Vaccinate Your Child Against COVID-19

COVID-19 vaccines are here for children **ages 5–11 years old!**

**PROTECT** your child from severe sickness from COVID-19

**HELP** your child stay in school, sports, and extracurricular activities

**KEEP** your child from spreading COVID-19

**There are many places to get vaccinated—** doctor offices, pharmacies, grocery stores and more. Visit [Vaccines.gov](https://www.vaccines.gov) for more locations and to make your appointment today.

**Vaccines are FREE, SAFE, AND EFFECTIVE.**

**Do you have questions? Need help finding an appointment?**
