Installation Kit No. LIK-60 (120)

Contents: (8) 3/8" Plastic Washer-Spacers

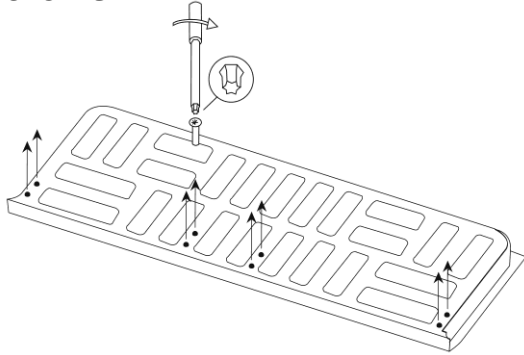

FORD F-150 2015+

Tailgate Protector

Installation Instructions:

1. Remove the 8 screws from the verification plate using the screw driver Torx (T20)

"Save the screws".

2. Install the tailgate cover, by centering the pre-drilled holes onto the metal tailgate; place one of the plastic washer-spacers provided in each hole then re-place the screws from step 1.
