Rules and Disclosures about this Insurance

This page explains important rules governing your Medicare supplement coverage. These rules affect you. Please read them carefully and make sure you understand them before you buy or change any Medicare supplement insurance.

Premium information

You may keep your Medicare supplement plan in force by paying the required monthly premium when due. Monthly rates shown reflect current premium levels and all rates are subject to change. Any change will apply to all members of the same class insured under your plan who reside in your state.

Disclosures

Use the Overview of Available Plans, the Plan Benefit Tables and Cover Page - Rates to compare benefits and premiums among plans.

Read your certificate very carefully

This is only an outline describing your certificate's most important features. The certificate is your insurance contract. You must read the certificate itself to understand all of the rights and duties of both you and your insurance company.

Your right to return the certificate

If you find that you are not satisfied with your coverage, you may return the certificate to:

UnitedHealthcare PO BOX 30607 Salt Lake City, UT 84130-0607

If you send the certificate back to us within 30 days after you receive it, we will treat the certificate as if it had never been issued and return all of your premium payments. However, UnitedHealthcare has the right to recover any claims paid during that period. Any premium refund otherwise due to you will be reduced by the amount of any claims paid during this period. If you have received claims payment in excess of the amount of your premium, no refund of premium will be made.

Policy replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new certificate and are sure you want to keep it.

Notice

The certificate may not fully cover all of your medical costs. Neither UnitedHealthcare Insurance Company nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult the Centers for Medicare & Medicaid Services (CMS) publication *Medicare* & *You* for more details.

Complete answers are very important

When you fill out the enrollment application for the new certificate, be sure to answer all questions about your medical and health history truthfully and completely. The company may cancel your certificate and refuse to pay any claims if you leave out or falsify important medical information. Review the enrollment application carefully before you sign it. Be certain that all information has been properly recorded.

If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE UNITEDHEALTHCARE INSURANCE COMPANY

Horsham, Pennsylvania

Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

Additional benefits.No change in benefits, but lower premiums.	Disenrollment from a Medicare Advantage plan. Please explain reason for Disenrollment.			
—— Fewer benefits and lower premiums	Other (Please Specify)			
 My plan has outpatient prescription drug coverage and I am enrolling in Part D. 				
Health conditions which you may presently have (Pre-existing conditions) may not be immediately or	the extent such time was spent (depleted) under the original policy.			
fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.	3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health			
2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to	history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.			
Do not cancel your present policy until you have received	your new policy and are sure that you want to keep it.
